

Get a quote for a Poly Strip? How easy can it get?

As easy as 1-2-3

1 - Cut or Saw a Piece off of your strip

2 - Put the Piece in the Mail to be shipped to us
(Include contact info and the length required for new strips)

3 - When we receive your package. We will
Measure the piece and calculate cost and
Manufacturing time

Let CVN Vooner Paper Machinery assist you with your blade, strip, and cover needs. We have been designing strips and covers for over 25 years. Our purchase of the Weavexx facility in 2005 has allowed us to produce blades and strips more quickly and economically.

Visit our new website at www.cvnvooner.com to get more product information.
